to me ~

Dear Sir,

We are really very proud & delighted to be a part of your excellent workshop on Goat AI & also it should be marked about your hospitality that you had arranged for us. Thank you so much Sir.

Few proposals from my end & want to share with you if it is possible please consider:

1. I want to collaborate with you officially for extension of marketing the goat semen products in all over India & also in Bangladesh.
2. As we are working with many corporate NGOs in eastern part of India so we can arrange many Goat AI awareness programs in association with them or individual arrangement. It will be the beginning of new research to popularize the Goat AI in field level.

Waiting for your valuable feedback...

**Please Note : Arrange 1500 Jamunapary FSD by the end of January,20.**

Thanks & Regards

Respected sir,

It is please to inform you that our Central Sheep Breeding Farm-Hisar is going for center of excellence in respect of sheep and goat with latest sheds and modern AI lab as per advice of Honorable cabinet minister. Our farm needs your valuable expertise in this regard please.

So kindly provide the copy of latest design of the AI lab and outlay of goat sheds which will be helpful in making our farm as a part of excellence through your university expertise and experience with technical support please.

I shall be highly thankful for this act of kindness.

With regards

Yours Sincerely,

**Sub: Frozen Semen for National Gene Bank**

Dear Sir,

As you are well aware that ICAR National Bureau of Animal Genetic Resources is engaged in "Characterization and conservation of indigenous livestock and poultry breeds" among other activities. We have established "National Gene Bank" at Bureau to conserve the livestock biodiversity and it is desired to enrich this bank in terms of stored germplasm for posterity.

I understand that semen freezing for different breeds of goats is being done at your institute and I will appreciate if you could provide at least 500 semen doses per male and from at least 20 donors per breed to be kept in National GeneBank. Kindly also intimate the charges if any.

Looking forward to your cooperation in this matter.

With regards,

Yours sincerely
