FROM THE DESK OF VICE-CHANCELLOR

Greetings from DUVASU fraternity !

Newsletter is a mirror of university which shows and reflects. This issue of Newsletter would show the set of major activities and events held in previous six months and reflect our commitment to mandates, goals and targets of university.

A scan of the proof revealed that the Newsletter appropriately highlighted the accreditation accomplishment of the university that it was ranked 62 among the top 100 universities of the country. This could be possible due to dedicated team work and able leadership. Now, we have to live up to and escalate the level of excellence.

Organization of Farmers fair as an awareness campaign about "**Pradhan Mantri Fasal Beema Yojna**" was an important activity which was blessed by the benevolent and graceful presence of Smt. Hema Malini ji, MP, Mathura as Chief Guest of the inaugural ceremony.

Host of dignitaries visited DUVASU and benefitted us through the valuable input of ideas. Visit of Shri Giri Raj Singh ji and interaction with staff and students was of special significance.

The Editorial team of the Newsletter is striving hard and doing well. Kudos. Let be transparent to our policy to present and display a face of university which is honest, active, amicable and committed to the objectives for which the DUVASU has been established. If we are in a competitive world of marketing, let the Newsletter be our one of the neon boards.

The presentability of the Newsletter is the body and the activities and events are the **prana** and **soul**. The Newsletter is a product of the alignment of these three components. With time we should aspire for more of this alignment. Only then we would be able to hold the beacon of DUVASU high so as to remain in the view of patrons, policy makers, funding agencies and people of the country and abroad.

We present the current issue of Newsletter to its readers with a vision of a brighter future.

K.M.L. Pathak
(K.M.L. Pathak)

Know your Vice-Chancellor:**KEEP YOUR WORK AREA CLEAN, IT IS A PART OF YOUR JOB!!!!**

With this sweet and clean slogan let us introduce our eminent Vice-Chancellor;

Prof. K.M.L. Pathak joined U.P Pandit Deen Dayal Upadhyaya Pashu-Chikitsa Vigyan Viswavidyalaya Evam Go-Anusandhan Sansthan, Mathura, U.P as Vice Chancellor on 3rd March, 2016.

Born on 7th December 1953 in the village Naraura, District Etah of Uttar Pradesh, Prof. Pathak, did his B.V.Sc. & A.H.; M.V.Sc. and Ph.D with academic excellence from G.B. Pant University of Agriculture & Technology, Pantnagar. He obtained *Post-Doc* in Biotechnology from University of Salford, United Kingdom. He has served various prestigious organizations since 1981 in various capacities namely Senior Research Fellow, Research Associate and faculty member at G.B.P.U.A.&T, Pantnagar; Professor, HOD and PG Faculty and Director Research at Rajasthan Agricultural University, Bikaner, Director, National Research Centre on Camel, Bikaner and Deputy Director General (Animal Sciences), ICAR (2010-15).

For his excellent academic services, he has been conferred with numerous prestigious Honour and awards including Doctor of Science (*Honoris causa*) from NDUVS, Jabalpur and DUVASU, Mathura, Life Time Achievement Award, Dr. Rajendra Prasad Award, Dr. B.V. Rao Gold Medal, Dr. R.S. Swami Nathan Iyer Memorial Award, Best University Teacher Award, Smt. Niranjani Parija Oration Award, Distinguished Veterinarian Award, Agriculture Leadership Award and Puratchi Thalaivi Selvi J Jayalalithaa Endowment Award.

Various Societies also recognized his work and awarded Honour of Fellow viz., National Academy of Agricultural Sciences, National Academy of Veterinary Sciences, Indian Association for the Advancement of Veterinary Research and Indian Association for Advancement of Veterinary Parasitology.

His leadership skills are well evident through his functioning as President, National Academy of Veterinary Sciences (2014-2016); President, Indian Association for Advancement of Veterinary Parasitology, Member, *Ad-hoc* Working Group on Non-Tsetse Transmitted Animal Trypanosomiasis, OIE, Paris, Member in Boards of Management/Governing Bodies of National Research Institutes, DADF, State Universities of Agriculture/Veterinary & Animal Sciences, State Go Seva Ayog and Expert Member in many National Committees dealing with Livestock and Poultry Policies, Biotechnology Food and Bio safety and regulatory issues. Moreover, his contribution in the field of science and research is well recognized by his more than 130 original research papers in National/International Journals of repute, 6 books, three book chapters, three Laboratory Manuals and 5 Monographs in the field of Infectious Animal Diseases and Veterinary Parasitology, Parasitic Zoonoses, submission of 18 Gene Sequences in Gene Bank and standardization of several technologies related to Diagnostics. He has visited more than 16 countries.

DUVASU, Mathura Ranked 62nd in top Universities of India by M.H.R.D.:

DUVASU, Mathura Ranked 62nd in top Universities of India by Ministry of Human Resource Development, Govt. of India. The National Institutional Ranking Framework (NIRF) has been approved by the MHRD and launched by Hon'ble Minister of Human Resource Development on 29th September, 2015. This framework outlines a methodology to rank institutions across the country. The methodology draws from the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

**Republic Day:**

DUVASU celebrated 67th Republic Day of India with festivities and patriotic fervour by hoisting the National flag and paying floral tributes to the Father of the Nation by Professor A.C. Varshney, Hon'ble Vice-Chancellor along with all the officers, employees and students in the main ground of the University. Few saplings were also planted in the campus.

Vivekananda Jayanti:

Vivekananda hostel of DUVASU celebrated the birthday of Swami Vivekananda on 12th January 2016. Director Extension, Dr. Sarvajeet Yadav, Finance Officer Shri M.K. Jain and Dr. Rajnish Sirohi celebrated the occasion with the hostellers and warden Dr. R.K. Yadav, Assistant Professor, Veterinary Pharmacology & Toxicology.

National Seminar on "Strategies for Conservation of indigenous cattle breeds of semi-arid region for augmenting milk production":

U.P. Pt. Deen Dayal Upadhyaya Pashu Chikitsa Vigyan Vishwavidyalaya Evam Go Anusandhan Sansthan (DUVASU) Mathura in Collaboration with SESHIS, H.P. organized one day National Seminar on "Strategies for conservation of indigenous cattle breeds of semi-arid region for augmenting milk production" on Feb 01, 2016. The concept of the Seminar was to create awareness amongst the Gaushala Managers, cattle owners, progressive farmers etc regarding conservation and breed improvement highlighting the importance of indigenous cattle. The seminar was attended by over 250 participants which included gaushala managers from Mathura, Rajasthan and adjoining Districts of Mathura, progressive farmers, farmer groups engaged in organic farming, representative and owners of Mini Dairies, and Veterinarians from Animal Husbandry Department, Government of Uttar Pradesh. Representative of gaushalas, organic farmers and University also took part in showing their work related to conservation of cows and their products through exhibits and live demonstration. The key speakers were Dr Arjava Sharma, Director, NBAGR, Dr D.K.Sadana, Former Principal Scientist NBAGR, Karnal, Dr Hitesh Jani, Head, Panchkarma, Shree G.A. College, Gujrat Ayurved University, Jamnagar, Dr P.K.Singh, Principal Scientist, NBAGR, Karnal, Shri Sunil Mansinghka Ji, Chairman, Gau-Vigyan Anusandhan Kendra, Nagpur. From University the speakers were Dr Atul Saxena, Dr Vinod Kumar and Dr Rajnesh Sirohi. An interactive session was also convened between the participants and the constituted committee of experts for assessment and problem solving. The seminar was inaugurated by Dr Arjava Sharma, Director, NBAGR. Fifteen progressive farmers and gaushala managers were felicitated by the Chief Guest and Vice Chancellor Prof. A.C. Varshney, DUVASU, Mathura. Thirty faculty members participated in the Seminar from DUVASU, Mathura.

Training on "Personality Development" organized:

Two days training programme on "Personality Development" was organized by Dean, Post-graduate studies, Dr. P.K.Shukla on 9th and 10th February 2016 for the post-graduate students. In the two days training programme, Mrs. Radha Shankar Narayanan was the trainer who is presently working as Head-content services, SMART series, Bangalore. The main idea behind this training was to 'ignite minds' towards effectiveness in personal and professional life. Deans, Dr. S.K. Garg, College of Veterinary Science & Dr. Rajesh Nigam, College of Biotechnology were present in the inaugural function. In the valedictory function, Hon'ble Vice-Chancellor Professor A.C. Varshney, Dean, Veterinary Science, Professor S.K. Garg, Dean, PGS, Professor P.K. Shukla, Incharge Student's welfare, Dr. A.K. Madan and Mrs. Radha, Head-content series, SMART series were present. All the participants were awarded the certificates for successful participation in the training.

Renovated Building of Poultry Science inaugurated:

The renovated building of Department of Poultry Science was inaugurated by Dr. S. Ayyappan, Secretary DARE Govt. of India & Director General, ICAR on 2nd February 2016. On the occasion, a traditional ritual ceremony was performed at the department. All the higher officials, faculty and students participated in the ceremony.

Dr. S. Ayyappan along with the Vice-chancellor and the

higher officials of the university inspected the department and appreciated the efforts of Dr. P.K. Shukla, Professor and Head, Department of Poultry Science.

Training on "Use of Functional and Molecular Tools in Pharmacodynamic and Cyto-toxicity Studies":

Department of Pharmacology & Toxicology organized a 10 days (8-17th Feb. 2016) training programme under Niche Area of Excellence Programme on "Use of Functional and Molecular Tools in Pharmacodynamic and Cyto-toxicity Studies". A total of 31 participants including post graduate students and faculty members from different SAUs, Veterinary Universities and Central Universities of India attended the training programme. Hon'ble Vice Chancellor Prof. A.C. Varshney inaugurated the training programme. Several research techniques and methodologies including COMET assay, TUNEL assay, DNA fragmentation test, Western Blot, thermocycling, functional pharmacological study, fluorescent microscopy, blood pressure recording etc. were demonstrated to the trainees.

Holi celebration:

The staff of the university gathered at Kulpati Aawas to celebrate the festival of colours: Holi on March 24th, wishing each other the colors of joy, happiness, friendship and love.

Basant Panchmi:

The seasonal spring festival, Basant panchmi was celebrated at University library on 12th February 2016. The goddess of intellect and learning 'SARASWATI' was garlanded with flowers. The students, teaching and non-teaching staff worshipped the Goddess of learning for the blessings. After the saraswati puja Prasad was distributed.

14th Annual Sports Meet:

14th Annual Sports Meet 2016 was inaugurated and declared open by Hon'ble Vice-Chancellor Prof. A.C Varshney after the march-past, salutation and sports oath on 1st March 2016. Release of doves to commemorate sports, as an important milestone of life accelerated the ceremony. Dr. Daya Shankar, President Games and Sports welcomed the gathering of the University. Almost all the inter-class competitions, in-door ,out-door games and sports,athletics were over well before the opening ceremony.

The closing ceremony was held on 2nd March 2016, where Shri Dinesh Kumar Singh, District Judge, Mathura, was the Chief Guest. Few athletic events, slow cycling, musical chair for ladies and "Tug-of-war" between teachers and students were the special attractions of the afternoon. The overall *best athletes for the year 2016* were Mr Mahesh Kumar 3rd year B.V.Sc & A.H. and Miss Abhinika Yadav, 2nd year B.Sc. Biotech.

Pathak, Hon'ble Vice-Chancellor of the University welcomed Shri Giriraj Singh ji. Hon'ble minister also planted Moringa saplings in and around Pasture division and apprised the gathering about its use in the form of green fodder for the animals. He said that every part of plant i.e. roots, shoot, leaf, fruit and seeds have medicinal value. During this year it is proposed to plant Moringa in the 2 acre land of the University.

PARTICIPATION IN CONFERENCE/SYMPOSIUM/TRAINING/WORKSHOP:

| Name of Candidate | Title of Seminar | Date |
|---|---|-------------------|
| Dr. Vinod Kumar Dr. Debashis Roy Dr. Muneendra Kumar | XVI th Biennial Animal Nutrition Conference on theme "Innovative approaches for Animal Feeding & Nutritional Research" at NDRI, Karnal. | Jan. 06-08, 2016 |
| Dr. Shriprakash | 21 days training on "Prospects and Retrospects in Assisted Reproductive Technologies" held at IVRI, Izatnagar, Bareilly | Jan. 08-28, 2016 |
| Dr. Brijesh Yadav Dr. Dilip Kumar Swain | National Workshop on "Innovative strategies of Physiological Genomic Research" held at IVRI, Izatnagar, Bareilly | Jan.18, 2016 |
| Dr. Satish K. Garg Dr. Soumen Choudhury Dr. Rajkumar Singh Yadav | 15 th Annual Convention of ISVPT and National seminar on "Nutritional Pharmacology and Toxicology beyond calories" held at NDRI, Karnal, Haryana | Jan. 14-16, 2016 |
| 30 faculty members from DUVASU, Mathura | National Seminar on 'Strategies for conservation of indigenous cattle breeds of semi-arid region for augmenting milk production' held at DUVASU, Mathura | Feb. 01, 2016 |
| Dr. Vikrant Sudan Dr. Ambika Sharma Dr. Ashish Srivastva Dr. Sanjay Kr. Bharti Dr. D.N. Singh | Training programme on "Personality Development" held at DUVASU Mathura. | Feb. 9-10, 2016 |
| Dr. Shanker Kr. Singh Dr. Arvind Tripathi | 34 th Annual Convention of ISVM and the National Symposium- organized at GADVASU, Ludhiana | Feb. 17- 19, 2016 |
| Dr. Vikrant Sudan | Molecular Cloning and Characterization of Receptors and Ion Channels, Hands on Training on "Cytogenotoxicity assays and use of functional and molecular tools in Pharmacodynamic studies" held at DUVASU, Mathura | Feb.08-16, 2016 |
| Dr. Vikas Pathak Dr. V.P.Singh | 16 th Indian Veterinary Congress & XXIII Annual conference of IAAVR & National Symposium on "Strengthening of governance in animal health and production activities for the benefit of farmers and livestock owners " held at OUAT, Bhubaneswar | Feb. 27- 28, 2016 |
| Dr. Mukesh Kr. Srivastava Dr. Alok Kr. Chaudhary | National conference on New Horizons of Veterinary and Medical Forensic Medicine. Organized by Department Of Veterinary Clinical Medicine Ethics and Jurisprudence, College of Veterinary Science, RAJUVAS, Bikaner, Rajasthan | Mar. 5-6, 2016 |
| Dr. Rajesh Nigam Dr. Vijay Pandey | Annual Convention of Society of Veterinary Biochemists & Biotechnologists of India (SVBBI) and National Symposium on "Use of Advanced Technologies of Biochemistry and Biotechnology in Livestock Health, Production and Reproduction" held at College of Veterinary Science & Animal Husbandry, OUAT- Bhubaneswar (Odisha) | Mar. 11-12, 2016 |
| Dr. Udit Jain | Five days National Workshop on "Diagnostic Approaches for Zoonotic Diseases" during 8-12 th March, 2016 organized under the ICAR -Niche Area of Excellence Project on "Center for Zoonoses" at Nagpur Veterinary College, Nagpur. | March 8-12, 2016 |
| Dr. Brijesh Chandra Upadhyaya | 2 days National Conference of All India Coordinated Research Project (Fodder crop and its importance) held at SKUASTK (J & K) | May 16-17, 2016 |
| Dr. Amit Singh | Training on "Impact assessment of Agricultural Extension" held at NAARM, Hyderabad. | June 06-10, 2016 |
| Dr. S.K. Yadav | 5 th world congress on virology, Madrid, Spain | June 10-12, 2016 |

Extension activity under Tribal Sub Plan, ICAR:

In order to strengthen the socio-economic conditions of Scheduled Tribe families AICRP on FMD, two programmes for the Scheduled Tribes under TSP at Lalitpur district in Talbehath Block were organized on 24.2.2016 and 18.3.2016 with the collaboration of Animal Husbandry Deptt., Govt. of Uttar Pradesh.

| Date | District | Block | No. of Village | No. of Beneficiaries /families | Items Distributed | Other Items |
|---------|----------|-----------|----------------|--------------------------------|--|---|
| 24.2.16 | Lalitpur | Talbehath | 4 | 21 | One Buck/family | Mineral Mixture |
| | | | | 20 | 23 chicks/family For Backyard poultry unit | Medicines, chick feed, feeder and waterer |
| 18.3.16 | Lalitpur | Talbehath | 7 | 40 | 24 chicks/family For Backyard poultry unit | Medicines, chick feed, feeder and waterer |

Trainings for Veterinary Officers:

Six trainings were coordinated by Directorate of Extension in collaboration with Department of Veterinary and Animal Husbandry Extension, College of Veterinary Science & A.H.

| S. No. | Title | Number of participant | Duration and Place |
|--------|---|-----------------------|--|
| 1. | Artificial Insemination in Bovine and livestock management | 10 | 12 th to 25 th Jan, 2016 |
| 2. | Artificial Insemination in Bovine and reproductive health management in dairy animals | 8 | 24 th Feb to 04 th March, 2016 |
| 3. | Advances in sheep and Goat production and management | 19 | 21 st to 25 th June, 2016 |
| 4. | Advances in sheep and Goat production and management | 19 | 26 th to 30 th June, 2016 |
| 5. | Dairy Vyawasay Ki Vaigyanik Padhhati-I | 28 | 14 to 18 th March, 2016 |
| 6. | Dairy Vyawasay Ki Vaigyanik Padhhati-II | 28 | 29 th March-04 th April, 2016 |

Forthcoming events:

- Sixth Convocation of DUVASU, Mathura to be held on 17th November 2016.
- ICAR Short Course on "Strategies in Development of functional Livestock products" will be organized by Department of Livestock Products Technology during Nov. 21st -30th, 2016.
- Winter School on "Advance technique in Pharmaco-toxicodynamic studies: An analytical approach" will be organized by Department of Pharmacology and Toxicology during Dec. 01-21, 2016.

Campus placement:

Training and Placement cell, DUVASU arranged on campus interview of Veterinary graduates in which Brooke India, Saahaj milk producing company, Cargill feed MNC, Omar International Pvt. Ltd. were invited. 35 students from the University were shortlisted.

DUVASU, Mathura got AICRP

The University has received two AICRP projects (non funding) for 2016-17 on "Fodder Production" and "Animal Infertility".
