From the Desk of Vice Chancellor

New Year greetings to all the members of the DUVASU family. Wish the New Year brings new hopes and new prospects for all of you.

In a period of last two years, the COVID-19 pandemic caused by a novel corona virus has radically transformed the lives of masses of people around the globe. All educational activities like examinations, school admissions, entrance tests of various universities and competitive examinations and other activities were affected during this period. Despite the COVID-19 restrictions in consecutive years, overall, it had been an eventful period with successful milestones for the University. The University continued all the teaching, research and extension activities. The entrance examinations for various academic programmes were also successfully conducted for the aspiring candidates and the meritorious students secured seats in the constituent colleges. The University disseminated the innovations and novel technologies to farmers and livestock owners through training programmes, workshops and field demonstrations in the areas of animal production and health. A number of trainings, conferences and webinars were organized for the academic fraternity and students to update their knowledge and skills. I appreciate the organizers for having the successful organization of these events.

A Mineral and Urea Block Unit along with a Feed Analytical Laboratory established in the Department of Animal Nutrition with the help of financial assistance by Rashtriya Krishi Vikas Yojna (RKVY) were inaugurated. I am sure that these facilities will not only be useful for imparting hands-on training to our students but will also benefit farmers in providing balanced nutrition for their livestock.

To keep the pace with present situation and future, the classes were held in the online mode using licensed software procure by the University. Remedial classes were organized for the under graduate students of Veterinary Science by the renowned faculty members throughout the country. The University has started modernization of all classrooms with the financial assistance from the ICAR under Institutional Development Plan of National Agriculture Higher Education Project. I am quite confident that these facilities will be state of art class rooms equipped with latest technologies of education delivery. The overseas training for the students and faculty members of the University is also under pipeline that will provide a great opportunity to enhance and elevate their skill and professional abilities.

All these successes and many more that I could have mentioned were possible due to your hard work and support over the last few years. Thank you for everything you did to ensure our continuing success, and in this New Year, I wish you all to be able to execute the tasks and responsibilities that have been entrusted on you and achieve great success in the coming year.

Best Wishes.

(G. K. Singh)

Independence Day Celebration

The 75th Independence Day was celebrated with great fervour and respect by the senior officers, faculty members, staff and students of the University. The celebration started with hoisting of National flag by Prof. G.K. Singh Hon'ble Vice-Chancellor DUVASU and Chief Guest of the occasion followed by floral tributes to Mahatma Gandhi, the Father of Nation. The chief guest addressed the gathering and also highlighted the achievements of the University. Tree plantation drive was also organized.

National Symposium on "Physiological Interventions for Augmentation of Sustainable Animal Production"

Department of Veterinary Physiology, College of Veterinary Science and A.H., DUVASU, Mathura organized the 3rd Annual conference of APA and National symposium on "Physiological interventions for Augmentation of Sustainable Animal Production" on 24th and 25th September 2021 in hybrid mode. In the inaugural session of the conference, Prof. A K Shrivastava, Member ASRB, New Delhi was the Chief Guest, Dr. N.K. Lohiya, Secretary NASI was the Guest of honour and Prof. G.K. Singh, Vice Chancellor DUVASU, Presided over the function. The Valedictory function of the conference was chaired by Prof. G.K. Singh, Hon'ble Vice Chancellor DUVASU, Mathura. Dr. R.C. Agrawal, DDG (Education) ICAR was the Chief Guest and the former DDG (AS) ICAR and the former Vice Chancellor, DUVASU Prof. K.M.L. Pathak were the Guests of Honour. Later in the evening of 24th September, 2021, Prof. N.C. Gautam, Hon'ble Vice Chancellor M.G. Garamodaya Vishvidhyalaya, Chitrakoot and Prof. J.P. Sharma, Hon'ble Vice Chancellor SKUAST, Jammu and Kashmir also joined the function.

Gandhi Jayanti

The 152nd Birth Anniversary of Mahatma Gandhi was celebrated on 2nd October, 2021. All the officers, teachers, students & staff attended the event. Professor G.K. Singh, Hon'ble Vice-Chancellor DUVASU, Mathura was the Chief Guest of the occasion. The portrait of Gandhi ji was unveiling followed by floral tribute by all the officers of the University, teachers, students and non-teaching staff. Gandhiji's ideals were remembered on this day.

Celebration of 105th Birth Anniversary of Pandit Deen Dayal Upadhyay Ji

105th birth anniversary of Pandit Deen Dayal Upadhyaya ji was celebrated by the University on 25th September, 2021. Floral tribute was paid to Pandit Deen Dayal Upadhyay Ji by Prof. G. K. Singh, Vice-Chancellor, Dr. P. K. Shukla, Dean, COVSc&AH and other dignitaries of the University along with faculty members and other staff of the University.

On this occasion, virtual smart class rooms established under NAHEP- IDP were inaugurated by DDG (Education) ICAR and National Director, NAHEP Dr. R.C. Agrawal in the dignified presence of Former Vice Chancellor DUVASU and former DDG (Animal Science) ICAR Prof. K.M.L. Pathak, Vice Chancellor Prof. G.K. Singh. Prof. Atul Saxena P.I., NAHEP, and all the Nodal Officers of NAHEP were also present.

World Egg Day Celebration

The World Egg Day was commemorated at DUVASU, Mathura on 08th October, 2021. To celebrate this event a Speech competition for the students on **"Egg as a source of Nutrients in New Normal in India"** was organized by the Department of Poultry Science, College of Veterinary Science and A.H., DUVASU, Mathura. Faculty and students of the College of Veterinary Science witnessed the programme. First, second, third and consolation prizes were awarded to the winners of the competition. Dr. Amitav Bhattacharya, Assistant Professor designed and organised the programme along with his departmental colleagues.

Dog Show

A Dog show was organized in University Play ground by National Training Centre for Dogs, Border Security Force, Tekanpur, Gwalior on 10th November, 2021. The

show was led by Assistant Commandant Dr Ram Mehar Singh and his team as a part of celebrations of **Bharat ka Amrut Mahotsav**. Professor G.K. Singh, Hon'ble Vice-Chancellor DUVASU was the Chief Guest of the occasion. The show was observed by faculty, students and non teaching staff of the University.

Training Programme on Dairy Animals Management

Directorate of Extension, DUVASU, Mathura organized Five days training programme on **"Dairy Animals Management"** for Divyangjan from 29th November to 3rd December 2021 at Pashu Gyan Chaupal in collaboration with NIRFAD and the Poorwanchal gramin seva samiti Gorakhpur. Hon'ble Vice-Chancellor Prof. G. K. Singh graced the concluding session and distributed certificates to the participants who successfully completed the training programme.

Mahila Adyayan Kendra

For the women empowerment and socio-economic upliftment of rural women various programmes were conducted by the Mahila Adyayan Kendra, DUVASU Mathura. In July, 2021 rural women were sensitized about the various laws to stop the crime against women. A medical camp was organized in village to monitor the health status of women and girls. During the month of August 2021, one day awareness camp was organized against the social evils of the society. Women were also informed about the various schemes run by Panchayati Raj Department. In the month of September, 2021 an awareness programme was organized on the importance of girl child education and one Day

Workshop was organized on the role of proper Nutrition for the growth and development of women. In October 2021 an awareness programme was organized to highlights the tips for the care of physical and mental health of elderly women and girls. On the occasion of Children's Day, one day workshop was organized in the month of November 2021. In December 2021, an awareness camp was organized for the girl students to educate them on the sources of energy and how to save them. For elderly women, lectures were delivered by the subject matter specialists on the importance of organic farming and vermicompost. A visit of goat Farm, rooster Farm and earthworm (vermi-compost) unit of DUVASU was organized for rural women to make them aware about these units to make them self-reliance.

Entrance Examination

The University has successfully conducted entrance examinations for the admission in different academic programmes. Prelim examination of Pre Veterinary Test (PVT) was conducted on 29th August 2021 at eleven different centres of Uttar Pradesh viz; Pyragraj, Kanpur, Lucknow, Mathura and Bareilly districts. Total 4424 candidates applied for the examination, out of which 970 candidates qualified the examination for the next phase of competition. The PVT mains was conducted at two centres of Mathura in which total 736 candidates qualified for B.V.Sc. & A.H. course. The postgraduate entrance examination (PGET) for the entrance in post graduate courses of the University was conducted on 10th October, 2021. The PDET examination for the admission in diploma courses of Institute of Para-veterinary Science of the University was conducted on 19th September 2021, in which out of 464 candidates, 349 have qualified the examination.

Training Programme For Veterinary Officers on "strategic Control of Subclinical Parasitism for Better Animal Health and Enhanced Productivity in Uttar Pradesh"

Department of Parasitology, organised Two training programmes of three days for ten Veterinary Officers of Uttar Pradesh under RKVY project on "Strategic control of subclinical parasitism for better animal health and enhanced productivity in UP" from 06th -08th September 2021 and 09th -11th September 2021 respectively. The trainings were organised on "Control of subclinical parasitism in dairy animals" considering the burning problem of sub-clinical parasitism at field level. The trainings included both theoretical and hands-on practical exposure of latest techniques for diagnosis and control of parasitic diseases. Expert lectures and practical exposure to other subjects like Medicine, Gynaecology, Nutrition and LPM were also included in

the training programmes for the benefit of trainees. In the valedictory functions of each programme Prof. G.K. Singh, Vice-Chancellor, DUVASU, Mathura and other officers of the University distributed certificates to the trainees. All the participants appreciated the efforts of the organizing committee and were pleased to get the updated knowledge during the training programme.

Training Programme for Animal Owners

Department of Parasitology organised Three trainings of one day each for Animal Owners of *Bharou garh, Vanse* and *Bhijari* villages of Raya block of Mathura on 28th, 29th and 30th December 2021, respectively under RKVY project on "Strategic control of subclinical parasitism for better animal health and enhanced productivity in UP". The trainings were organised for Animal Owners to making them aware about the sustainable control of subclinical parasitism in dairy animals. Various sufferings caused by the parasites and their effective control were discussed with the animal owners. During these training programmes, kits consisting of anti parasitic drugs and mineral mixture were distributed to 200 animal owners. The animal owners were also make aware on other aspects of the animal health by the experts from Animal Nutrition, LPM, Medicine, Gynaecology and Obstetrics Departments of the University.

Field Demonstration of Acaricidal Activities of Neem and Nirgundi Decoctions

Department of Parasitology organised field demonstration of acaricidal activities of Neem and Nirgundi decoctions under NIF sponsored project on "Evaluation and popularization of indigenous acaricidal medication against tick infestation in regions of Uttar Pradesh" in Twenty villages of Raya (23-25 September 2021), Farah (28-30 September 2021), Nand Gaon (11-13 September 2021) and Chhata (16, 22 and 23 October 2021) blocks of Mathura district. Under this programme awareness was created among animal owners about the life cycle of ticks and indigenous methods of control of tick infestation in cattle and buffalo. Method of

preparation of decoction of neem and nirgundi and its application on the animals was demonstrated to the animal owners.

Hands on Training on Ethno-Veterinary Medicine

Department of Veterinary Pharmacology and Toxicology, College of Veterinary Science and Animal Husbandry, DUVASU, Mathura organized a 10 days Hands on Training on "Analytical and Molecular Techniques to Decipher the Role of Phyto-biomolecules in Veterinary Therapeutics" w.e.f. 18th-27th October, 2021, sponsored under SCSP of ICAR Outreach Programme on Ethno-Veterinary Medicine. Twelve participants from different parts of India participated in this training programme. The main focus of this training was on intensive practical exposure to participants along with fundamental understanding of the basic principles of different analytical and molecular techniques. Training manual of lectures and a book on "Principles & Techniques of Biochemistry and Molecular Biology" was distributed to the trainees for up-gradation of their knowledge.

This training had eight lectures and eight hands-on training sessions. 7 lectures were delivered by the faculty of DUVASU, Mathura while 1 lecture and hand on training on Direct Digital Radiography was delivered by Dr Iliye Raja, Deputy Director, Veterinary Services, Wildlife SOS, India. A visit to Elephant and Bear rescue centres to update the information on wild animals particularly hospital set-up, physical and chemical immobilization, diagnosis and treatment of common diseases, was also organized. Post-mortem examination and drafting of post mortem report, management of urolithiasis, teat instrumentation, orthopaedic and ophthalmology were also introduced in the training programme based on trainee's demand and requirement.

New Facilities Developed During July to December, 2021

- Mineral and Urea Block Unit was inaugurated by Hon'ble Parshottam Khodabhai Rupala Ji, Honble Cabinet Minister of Fisheries, Animal Husbandry and Dairying GOI in the Department of Animal Nutrition, College of Veterinary Science and Animal Husbandry, DUVASU, Mathura
- Feed Analytical Laboratory was established in Animal Nutrition department under RKVY project on "Establishment of small-scale feed processing Demonstration unit to promote rural youth entrepreneurship". It was inaugurated on 23rd July, 2021 by Hon'ble APC, Govt. of Uttar Pradesh Shri Alok Sinha, in the gracious presence of Hon'ble Principal Secretary, Animal Husbandry, Fisheries and Dairy Development Shri Sudhir Garg and Hon'ble Vice-Chancellor, DUVASU, Mathura Prof. G.K.Singh.
- Simulation Laboratory was established in the Department of Pharmacology under ICAR-IDP Project.

Training For Veterinary Officers on "Advances in Diagnosis and Management of Surgical Conditions in Animals"

Department of Veterinary Surgery and Radiology, College of Veterinary Science and A.H., DUVASU, Mathura conducted six-days training programme on "Advances in Diagnosis and Management of Surgical Conditions in Animals" under AINP-DIMSCA for Veterinary Officers from 13th-18th December, 2021. The training was attended by ten veterinary officers of the Animal Husbandry Department of UP Government.

Awards And Recognitions

- Dr. Muneendra Kumar was awarded with Dr UB Singh Memorial Young Scientist Award by Animal Nutrition Association for 2021.
- Dr. Rajneesh Sirohi, received Best poster presentation award on the topic "Effect of lighting regimen on blood biochemical parameters in turkeys" authored by Dr. Rajneesh Sirohi, Dr. PK Shukla, Dr. A Bhattacharya, Dr. Y. Singh, Dr. DN Singh, Dr. A Kumar and Dr. Mamta in 3rd APA conference at DUVASU, Mathura.
- Dr. D.N. Singh received Best poster presentation award on "Effect of Sea buckthorn leaf meal (SBTLM) on coloured breeder birds on hematological parameters during summer and winter season" authored by Dr. D.N. Singh, Dr. P.K. Shukla, Dr. R. Kumar, Dr. B Yadav, Dr. A Bhattacharya, Dr. R. Sirohi, Dr. Y. Singh, Dr. Mamta and Dr. S. Yadav in 3rd APA conference at DUVASU, Mathura.
- Dr. Amit Shukla awarded Best Educationist Award by Global Triumph Foundation and Image Planet, Bengaluru, Karnataka (ISO 9001:2015 certified) for his contribution in the field of Education.
- Dr. Ambika Sharma, Dr. Muneendra Kumar and Dr. Amit Singh received Scroll of Honour during Dr. C.M. Singh Birth Centenary Year Celebrations cum National webinar jointly organized by COVSc & AH, Kamdhenu University, Sardarkrushinagar, Gujarat & Dr. C.M. Singh Endowment Trust, Bareilly.
- Dr. Amit Singh Vishen received Second Prize in poster presentation session on Poultry and Wild life Physiology entitled "Seasonal variation in the activity of thyroid gland of chabro chicken" authored by Dr. Amit Singh Vishen, Dr. Varsha Gupta, Dr. M M farooqui, Dr. Archana Pathak, Dr. Ajay Prakash and Dr. Shri Prakash during 3rd Annual National Conference of Animal Physiologists Association and National Symposium held DUVASU, Mathura.
- Dr. Abhinov Verma received reviewer excellence award in The Haryana Veterinarian, Year -2021. He also received Dr. B.V. Rao Poultry Entrepreneurs Global Icon Award by Pashudhan Praharee-2021.
- Dr. Pawan Singh, MVSc student of the Department of Veterinary Pharmacology & Toxicology received Best MVSc Thesis awarded by Indian Society of Veterinary Pharmacology & Toxicology (ISVPT).

Conferences/Symposium/Workshop Organized at Campus during July to Dec., 2021

Name of Deptt.	Title	Dates
Veterinary Public Health	Online National E-quiz competition on World Zoonosis Day, under NAHEP.	06 th July., 2021
Veterinary Biochemistry	National e-quiz competition on the occasion of Teacher's Day on "Animal Biochemistry" under the NAHEP	05 th Sep., 2021
Veterinary Anatomy	National E-Quiz Competition on Comparative Osteology, Arthrology and Myology of Domestic Animals	25 th Sep., 2021
Animal Nutrition	Three Public awareness activities sponsored by RKVY funded project on "Demonstration unit of silage making and popularization of low cost silage technology for year round fodder availability for small scale farmers.	27 th Sep., 2021 29 th Sep., 2021 30 th Sep., 2021
Animal Nutrition	Two three-days Training programme under RKVY funded project on "Establishment of small-scale feed processing Demonstration unit to promote rural youth entrepreneurship".	11 th -13 th Nov., 2021 16 th -18 th Nov., 2021
Veterinary Biochemistry	Two days online workshop for students and faculty of the University.	20 th -21 st Nov., 2021
Animal Nutrition	Two one-day workshop under RKVY funded project on "Demonstration unit of Silage making and popularization of low cost silage technology for year round fodder availability for small scale farmers".	01 st Dec., 2021 04 th Dec., 2021
Animal Nutrition	Three-days Training programme on "Entrepreneurship avenues in feed processing sector" for Veterinary officers of Uttar Pradesh conducted under RKVY funded project "Establishment of small-scale feed processing Demonstration unit to promote rural youth entrepreneurship".	06 th -08 th Dec., 2021
Animal Nutrition	Two one-day workshop under RKVY funded project on "Establishment of small-scale feed processing Demonstration unit to promote rural youth entrepreneurship.	28 th Dec., 2021 29 th Dec., 2021

New Projects Sanctioned During July To December, 2021

S. No.	Name of Project	Name of PI	Funding Agency	Total Amount Sanctioned (in lakhs)
1.	Strengthening of goat semen production centre for capacity enhancement.	Dr. Mukul Anand	RKVY	175.0
2.	Establishment of modern referral Veterinary disease diagnostic laboratory with special reference to animal tumour diagnosis.	Dr. Neeraj K. Gangwar	RKVY	124.1
3.	Establishment of laboratory to evaluate therapeutic potential of various Indian herbs for betterment of health and productivity of indigenous cattle.	Dr. P.N. Panigrahi	RKVY	31.0

Webinars organized by the office of Dean Students Welfare, DUVASU, Mathura under Interactive Sessions for Students with Industry and Academia under the aegis of NAHEP-IDP

S.No.	Date	Topics	Name of resource person
1.	2 nd July, 2021	Rearing pigs for nutritional security	Dr. Keshab Barman, Principal Scientist, ICAR-NRC on Pig, Guwahati (Assam)
2.	5 th July, 2021	Commercial fodder production	Dr. Himanshu Awasthi, Managing Director, Prajiv Farm Solutions
3.	9 th July, 2021	Carrier opportunities for budding veterinarians	Dr. Saurabh Shekhar, Managing Director-South Asia Nutreco
4.	12 th July, 2021	Role of Dogs in National Security	Dr. Sandeep Gupta, Officer Commanding National Training Centre for Dogs, BSF Academy, Tekanpur, Gwalior-475005 (M.P)
5.	16 th July, 2021	Emerging Technologies Reshaping Clinical Microbiology Laboratory	Dr. Yashpal Singh Malik, Dean, College of Biotechnology, GADVASU, Ludhiana (Punjab)
6.	19 th July, 2021	Recent advances in poultry nutrition	Dr. A.K Panda, Principal Scientist (Animal Nutrition) ICAR-CIVVA, Bhubaneswar (Odisha)
7.	26 th July, 2021	Export Potential of buffalo meat in the midst of COVID-19	Dr. S.P. Fonglan, General Manager, Allansons
8.	30 th July, 2021	An Overview of Medical Devices Development and Life cycle Management unexplored career opportunities for veterinarians	Dr. Vasbhav Pachade, Senior Toxicologist, Medtronic Engineering and Innovation Centre, Hyderabad.
9.	06 th Aug, 2021	Communication skill for success	Prof. Birendra Kumar, Former Dean, College of Agribusiness Management Pantnagar, Former Director Residential Instruction-cum-Dean PGS Bihar Agriculture University, Sabour, Visiting Professor at Alernaya University (Now Harmaya University), Ethiopia
10.	3 rd Aug, 2021	Goat Semen Production or Entrepreneurship Development	Mr. Sanjeev Kumar, Founder Advisor for the Goat trust of India
11.	28 th Dec, 2021	Transforming dreams into reality	Dr. Farhat Umar, Motivational Speaker, Former, Consultant, Ministry of Agriculture & Farmer's welfare, Government of India.

Conferences and Symposium attended by Faculty

Name	Title	Dates
Dr. Shri Prakash Singh Dr. Abhinov Verma	E-Symposium on "Sustainable buffalo production through integration of reproduction, nutrition, health and knowledge dissemination" jointly organized by ISBD and ICAR-CIRB.	07 th July, 2021
Dr. Varsha Gupta Dr. Shri Prakash Singh Dr. Abhinov Verma	15 DAYS online training cum workshop on "Application of Veterinary Anatomy in context of innovative techniques" organized by Department of Veterinary Anatomy & Histology, College of Veterinary Science and Animal Husbandry, Mhow.	12 th -26 th July, 2021
Dr. Deepak Sharma, Dr. S. P. Singh Dr. Vijay Kumar	Training on "Application of Intellectual property rights for different aspects of Animal genetic resources in India organized at NDVSU, Jabalpur, MP.	10 th -20 th Sept 2021
Dr. Archana Pathak Dr. Varsha Gupta Dr. Shri Prakash Singh Dr. Abhinov Verma	Online training on 'Applications of anatomy for clinical practice and forensics' organized by department of Veterinary Anatomy & Histology, College of Veterinary Science and Animal Husbandry Anjora, Durg.	5 th -12 th Oct. 2021
Dr. Archana Pathak Dr. Rashmi Singh Dr. Barkha Sharma Dr. Meena Goswami	SHAKTI 2021, 1st Lady Vet Wing of Indian Veterinary Association Conference held at State Animal Husbandry Training Institute, Vaishali Nagar, Bhopal.	13 th -14 th Nov., 2021
Dr. Ambika Sharma	Two days online workshop on Intellectual Property Protection organised by DUVASU, Mathura	20 th -21 st Nov., 2021
Dr. Vikas Pathak Dr. Udit Jain	3 days International Symposium on Holistic Approaches to the Meat food quality & safety in continuum from Farm to Fork" organized by Dept. of LPT, SVPUAT, Meerut.	25 th -27 th Nov., 2021
Dr. Vijay Pandey	Three Days e-Certificate Training Course on "Aerodrome wildlife hazard management" organized by Centre for Studies on Wildlife Management & Health (sub-Centre), College of Veterinary & Animal Science, Navania, Udaipur	23 rd -25 th Dec., 2021
Dr. Muneendra Kumar Dr. Soumen Choudhury Dr. Amit Shukla	Digital Teaching Techniques, MOOC conducted by NAARM from 01-30, December 2021.	01 st -31 st Dec., 2021
Dr. Neeraj K Gangwar Dr. Shyama N Prabhu Dr. Renu Singh	Online International symposium on "Advances in Veterinary Pathology for diagnosis and control of emerging and re-emerging diseases of livestock, wild animals and poultry"	17 th -19 th Dec., 2021

- * Drs. Arvind Kumar Tripathi, Barkha Sharma, Udit Jain, Jitendra Tiwari, Rajneesh Sirohi, Mukul Anand, Ambika Sharma, Meena Goswami, Soumen Choudhury, Amit Kumar Jaiswal, Vikrant Sudan, Yajuvendra Singh, Deep Narayan Singh, Parul, Avinash Kumar, Alok Kumar Chaudhary, Pradeep Kumar, Shalini Vaswani, Satyendra Pal Singh, Avneesh Kumar, Mamta participated in 05 days online faculty development programme under NAHEP-IDP on "Applications of OMICS tools and techniques for veterinary science using NGS data" organized by DUVASU, Mathura from 06th-10th July, 2021.
- ** Drs. Rajneesh Sirohi, Yajuvendra Singh, Deep Narayan Singh, Mamta, Varsha Gupta, Shri Prakash Singh, Abhinov Verma participated in 3rd Annual conference of APA and National symposium on "Physiological interventions for the augmentation of sustainable animal production" held at DUVASU, Mathura from 24th-25th Sept., 2021.
- *** More than 30 faculty members of COVSc. & AH, DUVASU, Mthura participated in Dr. CM Singh Birth Centenary Celebrations and International Webinar on Advances of Veterinary Sciences during Platinum Jubilee Year of India's Independence (1947-2022) jointly organized by CoVSc. and AH, DUVASU, Mathura and Dr. CM Singh Endowment Trust Bareilly held on 30th Nov., 2021.
